Date:08/07/2025

**Note**

For attention of students seeking admission to M.Sc Clinical Psychology and M.Phil. Clinical Psychology for the Year 2025-26. We are aware that RGUHS has issued a circular regarding admissions to these courses saying that clarification is being sought from RCI about the courses. We have written to RGUHS pointing out now RCI has already clarified that the admissions to the two courses for 2025-26 can be made based on a UGC notification. We advise you not to pay attention to the said circular. There is no change in the schedule of admission to these courses.
